## NEUTRI CALDI

Sofisticati ed eleganti, i neutri caldi sono adatti per chi ama vivere in ambienti moderni e di classe. Se abbinati ai colori accesi, sono perfetti per bilanciare in maniera armonica il contrasto, se usati fra di loro creano avvolgenti chiaroscuri.

# NEUTRI FREDDI

Colori perfetti per essere da sfondo ad ambienti moderni in cui si voglia dare risalto a caratteri di alta tecnologia. Sono i protagonisti degli spazi in maniera forte ma mai azzardata.

## Chiari, scuri, classici e di tendenza...

Il nuovo sistema tintometrico BCOLOR consente una reale ottimizzazione dei prezzi. I 75 colori proposti in questa cartella riescono così ad avere una caratteristica sensazionale:

# lo stesso prezzo!\*

Scegliere le tinte per i vostri ambienti sarà più facile.

\* Il prezzo fisso fa riferimento ai prodotti che hanno almeno 2 basi tintometriche.

I colori di questo campionario possono subire col tempo leggere variazioni ed hanno quindi valore indicativo.
